## GUIDANCE NOTES

### Completion of the Obsolete Pesticide Booking Form

General Information	Tips on Completing the Booking Form
<p>Completed forms should either be sent by fax to the <b>CleanFarms Kenya</b> Campaign Office or delivered to the nearest <b>District Agricultural Office (DAO)</b> or <b>Kenya Farmers Association (KFA)</b> retail outlets where <b>CleanFarms Kenya</b> sticker is displayed.</p> <p>For more information, please contact:</p> <p><b>CleanFarms Kenya</b></p> <p>Tel: <b>020 8009 991</b> or <b>0734 808 011</b></p> <p>Fax: <b>020 4181 213</b></p> <p>Email: <b>cleanfarms@agrochem.co.ke</b></p> <p>Website: <b>www.cleanfarms.net</b></p> <p>The information gathered on these forms will be used by the <b>CleanFarms Kenya</b> project only for planning the eventual collection and destruction of obsolete pesticides and empty pesticide containers. The information supplied will be kept secure by the project and will not be shared with any other parties outside of the <b>CleanFarms Kenya</b> project, except where necessary to manage the project. Details of the Terms of Use of this information are given at the <b>CleanFarms Kenya</b> website or are available on request from <b>CleanFarms Kenya</b> on the contact numbers above.</p>	<p>When completing the form by hand, write clearly using <b>CAPITAL</b> letters.</p> <p><b>Address and Contact Details</b> Please complete all contact details as these will be used to contact you before the collection process begins.</p> <p><b>Full Product Name</b> The full product name is that which is shown on the container, for example, <b>Karate 5EC, Dithane 45M</b> and not <b>Karate</b> or <b>Dithane</b>.</p> <p><b>Manufacturer</b> The manufacturer should be mentioned on the product label as either the manufacturer or the company holding the registration. The manufacturer might also be the distributor when the manufacturing company has offices in Kenya.</p> <p><b>Packaging</b> Enter details on the type, size and condition of the pesticide packaging. If containers are leaking, give the estimated percentage (%) of leakage.</p> <p><b>Total</b> Estimate the total volume of each obsolete pesticide (number of containers multiplied by the volume per container).</p> <p><b>Register of Empty Pesticide Containers</b> Count or estimate the number, type and size of empty pesticide containers. Also indicate whether these containers have been <b>TRIPLE RINSED</b>. For more information on Triple Rinsing, contact the <b>CleanFarms Kenya Office</b> or <b>CropLife Kenya</b>.</p>
